QUICK-TURN TURNKEY ASSEMBLY

Sierra Circuits, Inc. (dba Sierra Proto Express) has been a leading manufacturer of PCBs for over 25 years. In the past 5 years we have started Microelectronics (Sub 2-mil Lines & Spaces) and have specialized in HDIs.

Since 2003 we have been providing design and component assembly to our own customers. Now we have fine-tuned this process to provide QUICK TURN Turnkey Assembly services.

OUR TURNKEY SERVICES

- 1 DAY TURN** – Consigned Component Assembly
- 2 DAYS TURN** – Consigned Component Assembly and PCBs
- 3 DAYS "Ultra Quick Turn"** – Turnkey assembly with standard PCBs
- 5 DAYS "Quick Turn"** – Turnkey assembly
- 7 DAYS "Standard Turn"** – Turnkey assembly

Our TURNKEY SERVICE provides you ONE STOP SHOP convenience for all your PROTOTYPE PCB ASSEMBLIES.

SERVICE CAPABILITIES INCLUDE

- **RoHS/Lead-Free Assemblies**
 - **Fine Pitch Components**
- **BGA and Micro BGAs Placement and Reflow**
- **Automated Optical Inspection**
 - **In-Circuit Tests**

Our PCB Assembly experts are readily available to assist you.
